About XYZ

You are a bit shy or can say social phobic kind of person as Saturn occupies the second house. With Venus in your eighth house you own a very attractive personality with sharp features. You possess very high convincing power which acts as the icing on the cake. You are a person with high will power. Once you decide something, you make it happen anyhow and that's the biggest plus point of your personality.

Number of Points or Qualities Match:

Out of total 36 points, the birth chart shows the matching of 22 points. Generally minimum 18 points should be match out of 36 to lead a happy married life; therefore we can consider this an averagely good match.

Mangal Dosh Compatibility:

As the Mars occupies the seventh house of ABC it is considered to be mangalik. But there is Saturn accompanying Mars in the seventh house therefore we can say that it is diluting the harmful effect of Mars that is Mangal Dosh.

In XYZ's birth chart Mars is sitting in third house therefore XYZ does not possess any Mangal Dosh.

In this case it is suggested to take some measures before marriage to nullify the effects of Mars completely for a better married life.

Mental Compatibility:

As the ABC is a strong headed person with Mars in seventh house and XYZ possess high quality of convincing power with Mars in his third house generally both will try to convince the second person for their things. But in the end XYZ will rule the game. It doesn't mean XYZ will try to suppress the ABC but he will present logics and facts to find out the right thing. At the end both will be willing to work upon their relation and make it happen a long lasting one.

Wealth Compatibility:

This chart does not show a very good positive signs for wealth. There is likely to be less income than that of expenses, but if both of you team up, you can resolve some major issues related to wealth. Therefore there are average points for wealth. Since it's not that much bad, there is scope to make it better. You can improve your luck by your hard work and by creating harmony around and wealth can be managed by properly planned expenses.

Sexual Compatibility:

In this regards the charts are showing a good compatibility as both will consider and understand each other's moods and temperament. The relationship will be interesting and will be lasting. There will be a good balanced behavior and you both will help each other to become more comfortable with time. There is a tendency to support each other. You both will allow yourself to see the positive points and appreciate each other.

Children:

It can show you some delays in this regards but there is no worries as things will fall at the place. But you both should be supportive towards each other.
