Miss ABC is a strong headed woman with Mars in your seventh house. With cancer as your moon sign you are quite a sensitive person and your family holds the top most priority in your life. In other words you are a family person. You love to explore new things and always ready to take initiatives. You are a jovial person with great sense of humor. But sometimes you lose your temper when someone hurts you badly as you are too sensitive, and this lead to bring troubles for you.

Mr. XYZ is a bit shy or can say social phobic kind of person as Saturn occupies the second house. With Venus in your eighth house you own a very attractive personality with sharp features. You possess very high convincing power which acts as the icing on the cake. You are a person with high will power. Once you decide something, you make it happened anyhow and that's the biggest plus point of your personality.

Mental Compatibility:

As the ABC is a strong headed person with Mars in seventh house and XYZ possess high quality of convincing power with Mars in his third house generally both will try to convince the second person for their things. But in the end XYZ will rule the game. It doesn't mean xyz will try to suppress the ABC but he will present logics and facts to find out the right thing. At the end both will be willing to work upon their relation and make it happen a long lasting one.

Wealth Compatibility:

This chart does not show a very good positive signs for wealth. There is likely to be less income than that of expenses, but if both of you team up, you can resolve some major issues related to wealth. Therefore there are average points for wealth. Since it's not that much bad, there is scope to make it better. You can improve your luck by your hard work and by creating harmony around and wealth can be managed by properly planned expenses.

Love and Affection:

In this regards the charts are showing a good compatibility. The relationship will be interesting and your affection towards each other will be long lasting. There is a tendency to support each other on the lows and highs of the each other on the call of time.

Intellectual Compatibility:

This is an aspect of intellectual compatibility. You both will encourage each other towards interesting and intellectual work and you enjoy doing such things together.

Support Compatibility Towards Each Other:

Chart match gives a very positive signs in this regard. As you both will respect each other's work and prove to be the source of inspiration and pillar of strength for each other as well.

Conclusion: On the basis of matching of above points a good love match can be predicted and accepted.

Best Regards,
